CONDITIONS OF COVER

It is a condition that the assured will act with all reasonable despatch in all circumstances.

Description of Cover:

The following is only an outline of the cover. The Policy is a legal document and as such defines the cover in precise terms. A specimen may be inspected on application.

Basis of Valuation:

It is vital that you insure for the full replacement value at destination. If you are in any doubt you should enquire with the UK Embassy or similar representative body of the Country of destination. Values in the UK frequently vary considerably from those in other Countries.

Cover 1 Professionally Packed Only:

This insurance covers All Risks of loss of or damage to the insured goods, as per, the Institute Cargo Clauses (A), War and Strikes Clauses (copies available on request) subject also to the following exclusions.

Cover 2 Owner/Professionally Packed:

As Cover 1 but excluding breakage, chipping, scratching and denting unless caused by a major accident to the conveyance.

Whilst it is acceptable for a mixture of Cover 1 and Cover 2 to be taken only one scope of cover is available for each category of goods, e.g. you may not select

Cover 1 and Cover 2 in respect of Bedroom Furniture but must select one or the other.

Principal Exclusions applicable to Cover 1 and Cover 2 are:

Bank notes, Shares, bonds, deeds, securities and negotiable instruments, jewellery, watches, drugs, medicines, food and drink of every description.

Consequential loss, damage or expense of whatsoever description. Trunks, suitcases or similar items unless they are packed in an outer container.

Pair & Set Clause:

In the event of loss and/or damage to any article or articles forming part of a pair or set the Company's liability shall be limited to the value of such parts which may be lost or damaged, without any reference to any special value which such article or articles may have as part of such pair or set; nor shall it exceed the proportionate part of the insured value of such pair or set.

Replacement Clause:

In the event of loss of or damage to any part or parts of an insured machine or appliance caused by a peril covered by the Policy the sum recoverable shall not exceed the cost of the replacement or repair of
