

## **Airfreight Restrictions**

**Please note that any shipments of personal effects or household goods must now be accompanied by a full packing list to comply with UK aviation security regulations.**

We would like to take this opportunity to remind our customers of what can and can't be included in shipments moving as air freight.

We are providing the following list of prohibited items as a sample only and does not warrant that it is full, accurate or compliant to any statutory regulations:

- 1** Fireworks, ammunition, sporting ammunition, firearms or explosives
- 2** Cylinders of compressed air, oxygen or liquid petroleum gas (LPG). Any type of aerosol can (e.g. Deodorant, shaving cream, hair spray, paint etc)
- 3** Camping stoves, Cigarette/Pipe lighters or cigarette lighter refills
- 4** Cosmetics (e.g. Nail polish, colognes, perfumes, nail polish remover)
- 5** Paint, fuel or paint thinners
- 6** Matches
- 7** Dry Ice, specimens or samples
- 8** Detergents, bleaches, drain or oven cleaners
- 9** Fibreglass repair kits, adhesives and puncture repair kits
- 10** Medicines containing alcohol
- 11** Any type of chemical, pesticides, herbicides etc
- 12** Camping equipment (e.g. Gas stoves, gas cylinders)
- 13** Diving equipment (e.g. Air tanks)
- 14** Batteries, any type
- 15** Machinery with internal combustion engines such as chainsaws, lawnmowers or garden trimmers.

Failure to comply with the above may cause delay, additional cost and/or the cases being opened and the offending items disposed of.

Please find attached examples of restricted items.
